Obsolete Products Notice

1.0 Obsolete Products

DSE0402-03 - Waterproof Manual & Auto Key Switch Control Module (MPU)

DSE0402-04 - Waterproof Manual & Auto Key Switch Control Module (HZ)

2.0 Obsolete Product Information

Important Information

The above products have been made obsolete with immediate effect.

If you need to keep stock of these products, the 0402-03 variant is available to place a last time order. Last time orders can be placed whilst stock is available. Stock level at 13/08/21 = 600. The 0402-04 variant is no longer available.

When stock runs out the 0402-03 will no longer be available to purchase.

2.0 Replacement Products

Important Information

There is no direct waterproof replacement for the above modules.

Depending on your application requirements and the IP rating you require, there are a number of alternative products within our Manual & Auto Start range.

Our current products can be found on our website - www.deepseaelectronics.com

If you require any further information, please contact your Business Development Manager or our Sales Department (sales@deepseaelectronics.com), who will be happy to answer any questions you may have.

Many Thanks,

DSEMarketing.
