DSE9130

12 Volt 5 Amp Battery Charger
Part Number 9130-00

DSE9255

24 Volt 5 Amp Battery Charger
Part Number 9255-00

DSE9702

12 Volt 5 Amp Vertical Battery Charger
Part Number 9702-01

DSE9701

24 Volt 5 Amp Vertical Battery Charger
Part Number 9701-01

Obsolete Product Information

The four battery chargers shown above are being made obsolete on 31.12.2022*. * This date may be brought forward if all existing stock is used up.

The chargers are being replaced with the BC1205 (12 Volt / 5 Amp) and BC2405 (24 Volt 5 Amp) chargers. The replacement chargers provide enhanced flexibility and can be mounted as a standard or vertical charger.

If an order is placed for any of the products above, with a required delivery date after the 1st January 2023, the order will be automatically replaced with the appropriate replacement part below.

The replacements for the above products are shown below.

2.0 Replacement Products
